

The wisdom of Spirit now prevails in and through Unity of Charlottesville as divine guidance, divine order, and divine love. Every person who experiences our ministry in anyway whatsoever, feels the presence of peace, kindness, and compassion.

We see our ministers, staff, board of trustees, team leaders and sacred service volunteers, consciously overseeing the concerns of Unity of Charlottesville under divine law and in unity with the Christ Mind.

Unity of Charlottesville now thrives in the all-sufficiency of God's holy presence manifesting unlimited bounty from God's rich storehouse of abundance. We radiate a consciousness of faith and prosperity in all that we undertake.

We hold Rev. Patricia and Rev. Don in our hearts and prayers for Patricia's grace-filled transition from this ministry into her next chapter of life. We see Rev. Patricia and Rev. Don enjoying vitality, prosperity, peace and divine purpose as we honor the loving presence they have been at Unity of Charlottesville for the past 20 years.

We know with complete faith that as senior minister, Rev. Don continues to lead with clarity, ease, and grace surrounded and assisted by this community's love and sacred service as we co-create what is ours to do to be a greater light in this world.

Unified by the grace of God, we join with communities of faith around the world, upholding a sacred vision of health, peace and prosperity for all.

We claim all of this in the name and after the nature of the indwelling Christ.

Amen.
